

Step-by-Step Guide for Requesting a Rebate from the Observation Rebate Program

What is the Observation Rebate Program (ORP)?

After each SPRAVATO® session, there will be an observation period of at least 2 hours. During this time, you will be allowed to rest comfortably while a healthcare provider monitors you. If you're eligible, you can pay \$0 after rebate for this observation period for each SPRAVATO® treatment session with the SPRAVATO withMe Observation Rebate Program. Maximum program benefit per calendar year shall apply. Terms expire at the end of each calendar year. Offer subject to change or end without notice. Not valid for residents of MA, MN, or RI. Participate without sharing your income information. See [program requirements](#).
