3. PATIENT AUTHORIZATION AND AGREEMENT: *To be completed by the Patient.*

The BMS Access Support® program is a support program by Bristol-Myers Squibb Company (“BMS”) that helps patients understand their insurance coverage and financial support options for BMS medications, such as co-pay and free medication assistance. BMS also screens for patient assistance from the Bristol Myers Squibb Patient Assistance Foundation, Inc. (“the Foundation”), an independent nonprofit that provides free medication to qualifying patients. To participate in the BMS Access Support program or to apply for the Foundation program, these programs will need to receive, use, and disclose your personal information. Please read this authorization for BMS and the Foundation carefully and contact BMS at 1-800-861-0048 if you have any questions. Once you have read and agreed to this form, fax your signed copy to 1-888-776-2370.

1. What information will be used and disclosed?

My personal information will be disclosed, including:

- Information on the BMS Access Support enrollment form
- My contact information and date of birth
- Social Security number (which is voluntary)
- Professional and employment information
- Financial and income information
- Insurance information
- Health records and information, including medications.
- Biometric & Genetic information, including tests that identify the kind of illness that I have and/or medication indicated for my treatment.

2. Who will disclose, receive, and use the information?

This authorization permits my caretakers, which include my healthcare providers, pharmacists, health plans, and health insurers who provide services to me, as well as other people that I say can help me apply, to disclose my personal information to BMS, the Foundation, and their authorized agents and assignees (their “Administrators”). BMS and the Foundation and their Administrators may also share my information with my caretakers and with other healthcare providers, pharmacists, health insurers, and charitable organizations to determine if I am eligible for, or enrolled in, another plan or program.

3. What is the purpose for the use and disclosure?

My personal information will be used by and shared with the persons and organizations described in this authorization in order to:

- Process my application for the BMS Access Support and/or Foundation programs
- Provide the BMS Access Support program services to me, including verifying my insurance benefits, researching insurance coverage options, and referring me and my caretakers to other plans, support, or assistance programs that may be able to help me
- Provide co-pay assistance to me, if I am eligible
- Contact my caretakers and me about the programs and the services that are available
- Contact other healthcare providers and charitable organizations to determine if I am eligible for, or enrolled in, another plan or program
- Provide me with free medication through BMS or the Foundation, if I qualify
- Improve or develop the programs’ services and other internal business purposes including analytics
- Provide me with other information and offers that BMS believes may be of interest to me including information about my medication, refill reminders, surveys, and alerts
- BMS also may use my health information to combine it with other information BMS may collect about me and my treatment and use it for the purposes described above.

4. When will this authorization expire?

This authorization will be effective for 5 years unless it expires earlier by law, or I cancel it in writing. I may cancel this authorization for either or both programs by writing to: BMS Access Support P.O. Box 221509 Charlotte, NC 28222-1509

If I cancel this authorization for a program, I will no longer be able to participate in that program. That program will stop using or disclosing my information for the purposes listed in this authorization, except as necessary to end my participation or as required or allowed by law.

I understand that if I receive free medication for more than a year, I must reapply at least every year, sign an authorization for both BMS Access Support and the Foundation, and be accepted.

PATIENT AUTHORIZATION AND AGREEMENT (cont.)

5. Notices:

I understand that once my health information has been disclosed, privacy laws may no longer restrict its use or disclosure. BMS, the Foundation, and their Administrators agree to use and disclose my information only for the purposes described in this authorization or as allowed or required by law. I understand that BMS or the Foundation does not sell or rent personal information collected about me from this Program. I have a right to receive a copy of this authorization after I have signed it. I further understand that I may refuse to sign this authorization and that if I refuse, my eligibility for health plan benefits and treatment by my healthcare providers will not change, but I will not have access to the BMS Access Support® or Foundation programs. I understand that certain state laws may allow for the right to request access to, or deletion of, my information. I understand that these state rights are not absolute and only apply in certain circumstances. Therefore, I acknowledge that I may not receive a response to my request to the extent required or permitted under relevant laws. I agree that I may need to provide additional information in order to verify my identity, such as a government-issued ID, before my request to receive access to, or deletion of, my information will be honored. I will not be discriminated against for exercising my rights, but I understand that I may not be able to receive Program services if I do not allow use of my information. To submit an access or deletion request, I may call 1-855-961-0474 or complete the online form at www.bms.com/dpo/us/request.

6. Patient certifications:

I certify that the personal information that I provide to BMS and the Foundation is true and complete. I agree that, at any time during my participation in either or both programs, BMS (and the Foundation, if applicable) may request additional documentation to verify my personal information. If there is missing information or I do not respond to requests for additional documents, my participation may be delayed, or I may no longer be able to participate. If I qualify for, and receive, co-pay assistance or free

medication assistance from BMS, I agree to comply with BMS' program rules and I will not get reimbursed for the assistance I receive from anyone else, including from an insurance program, another charity, or from a health savings, flexible spending, or other health reimbursement account. I understand that assistance may be temporary and that I may be required to apply every year. I will contact BMS Access Support at 1-800-861-0048 if my insurance or treatment changes in any way. If I qualify for and receive free medication from the Foundation program, I agree to comply with the Foundation's program rules; and I will not get reimbursed for the assistance I receive from anyone else, including from an insurance program, another charity, or from a health savings, flexible spending, or other health reimbursement account. If I have Medicare Part D, I will also not count any free medication I receive towards my true out-of-pocket costs (TrOOP). I understand that the Foundation's help is temporary, I must reapply every year, and I may not be eligible if I have prescription drug coverage that will pay for my medication. To the best of my knowledge, (1) My insurance plan did not require me to apply to the Foundation and/or change or hide my insurance coverage to make me appear to be underinsured and eligible for the Foundation; (2) The Alternate Contact listed on my application (if any) is not associated with or a representative of my insurance company or the insurance company's business partners. I agree to immediately contact the Foundation at 1-800-736-0003 if my insurance, treatment, or financial situation changes in any way. I understand that the BMS Access Support and the Foundation programs may be discontinued or the rules for participation may change at any time, without notice.

Patients may complete the Patient Authorization and Agreement electronically by visiting <https://www.MyBMSCases.com/BMS/ProviderLightningPortal/s/sign> or by scanning the QR code here with a phone or tablet. You may also fax the documents to 1-888-776-2370 or call 1-800-861-0048 for further assistance.

These are my written instructions and my permission for:

BMSPAF and its Administrators to obtain a consumer report on me. My consumer report, and information derived from public and other sources, will be used to estimate my income as part of the process to decide if I am eligible to receive free medicine from BMSPAF. Upon request, BMSPAF will provide me the name and address of the consumer reporting agency that provides the consumer report. I may call BMSPAF at 1-800-736-0003 for this information.
