However, I also understand that unless I separately consent to additional uses/disclosures, Merck intends to use and disclose my PHI only for the purposes described in this authorization.
- If I choose not to provide this authorization, that decision will not affect my eligibility for, or receipt of, treatment, including Merck products, or healthcare insurance benefits. The Merck Co-pay Assistance Program for KEYTRUDA® (pembrolizumab) Injection 100 mg or KEYTRUDA QLEX™ (pembrolizumab and berahyaluronidase alfa-pmph) Injection 165 mg + 2,000 units/mL (each individually, a "Program Product").

To receive benefits under the Co-pay Assistance Program, the patient must enroll in the Co-pay Assistance Program and be accepted as eligible. A patient's eligibility for the Co-pay Assistance Program will commence upon the date of The Merck Access Program's acceptance of patient's enrollment and will continue for twelve months thereafter ("Eligibility Period"), so long as the patient satisfies all eligibility criteria of the Co-pay Assistance Program for each date of administration of the Program Product.

- Patient must be prescribed the Program Product for an FDA-approved indication.
- Patient must have private health insurance that provides coverage for the cost of the Program Product under a medical benefit plan or a pharmacy benefit plan.
- **The Co-pay Assistance Program is not valid for patients covered under Medicaid (including Medicaid patients enrolled in a qualified health plan purchased through a health insurance exchange [marketplace] established by a state government or the federal government), Medicare, a Medicare Part D or Medicare Advantage plan (regardless of whether a specific prescription is covered), TRICARE, CHAMPUS, Puerto Rico Government Health Insurance Plan ("Healthcare Reform"), or any other state or federal medical or pharmaceutical benefit program or pharmaceutical assistance program (collectively, "Government Programs"). The Co-pay Assistance Program is not valid for uninsured patients.**
- Patient must be a resident of the United States or the Commonwealth of Puerto Rico. Product must originate and be administered to patient in the United States or the Commonwealth of Puerto Rico.
- **Subject to changes in state law, the Co-pay Assistance Program may become invalid for residents of Massachusetts prior to its expiration date.**
- All information applicable to the Co-pay Assistance Program requested on The Merck Access Program Enrollment Form must be provided, and all certifications must be signed. Forms that are modified or do not contain all the necessary information will not be eligible for benefits under the Co-pay Assistance Program.
- **Patient must pay the first \$25 of co-pay per administration of Program Product.** The benefit available under the Co-pay Assistance Program is limited to the amount indicated on the documentation provided by the patient's private health insurance company, which can include, but is not limited to, an Explanation of Benefits (EOB) or a Remittance Advice (RA), that the patient is obligated to pay for the Program Product, less \$25, up to the Co-pay Assistance Program per patient maximum. The maximum Co-pay Assistance Program benefit per patient per Eligibility Period is \$25,000.
- Patient must have an out-of-pocket cost for the Program Product and be administered the Program Product during the patient's Eligibility Period or the 90-Day Lookback Period (defined below) **AND** during the Term (defined below) of the Co-pay Assistance Program. The benefit available under the Co-pay Assistance Program is valid for the patient's out-of-pocket cost for the Program Product only. It is not valid for any other out-of-pocket costs (for example, office visit charges or medication administration charges) even if such costs are associated with the administration of the Program Product. The claim for Program Product must be submitted by the patient's healthcare provider or pharmacy (both referred to as "Provider") to patient's private health insurance separately from other services and products.
- To receive the benefit available under the Co-pay Assistance Program, patient or Provider must submit documentation provided by the patient's private health insurance company that contains the

following information: name of the patient's private health insurance company, patient's insurance plan details (patient ID, policy/group/payer ID, and, for pharmacy benefit claims only, BIN and PCN); patient's demographic information (full name, date of birth, and address); patient's out-of-pocket cost for Program Product; confirmation that the Program Product was administered to the patient; date of Program Product administration to the patient; and submission of the claim by the Provider for the cost of the Program Product. The documentation must also show that the Program Product was paid separately from other services and products.

- The documentation provided by the patient's private health insurance company, which can include, but is not limited to, an EOB or RA, must be submitted to the Co-pay Assistance Program within **180 days** of the date the claim was processed for patient to receive a co-pay assistance benefit; provided, however, that no claims may be submitted more than **180 days** after the expiration date of the Co-pay Assistance Program.
- The Co-pay Assistance Program may apply to patient out-of-pocket costs incurred for a Program Product that was administered **up to 90 days** prior to the start date of the patient's Eligibility Period ("90-Day Lookback Period"), subject to the Co-pay Assistance Program per patient maximum and the applicable Terms and Conditions based on Program Product administration date. Patient or Provider may contact The Merck Access Program for more information. The 90-Day Lookback Period does not apply to KEYTRUDA QLEX™ (pembrolizumab and berahyaluronidase alfa-pmph) prior to the initial FDA approval date.
- Patient and Provider agree not to seek reimbursement for all or any part of the benefit received by the patient through the Co-pay Assistance Program. Patient and Provider are responsible for reporting receipt of Co-pay Assistance Program benefits to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost paid for by the Co-pay Assistance Program, as may be required.
- No other purchase is necessary.
- **The Co-pay Assistance Program is not insurance.**
- The Merck Access Program Enrollment Form may not be sold, purchased, traded, or counterfeited. Void if reproduced.
- The Co-pay Assistance Program is void where prohibited by law, taxed, or restricted. The Co-pay Assistance Program is not transferable. No substitutions are permitted.
- The Co-pay Assistance Program benefit cannot be combined with any other Co-pay Assistance Program, free trial, discount, prescription savings card, or other offer.
- If acquiring Program Product from a Specialty Pharmacy (to be later administered in a physician office or outpatient institution), additional documentation may be required.
- Merck reserves the right to rescind, revoke, or amend the Co-pay Assistance Program at any time without notice.
- Data related to patient's receipt of Co-pay Assistance Program benefits may be collected, analyzed, and shared with Merck, for market research and other purposes related to assessing Co-pay Assistance Programs. Data shared with Merck will be aggregated and de-identified, meaning it will be combined with data related to other Co-pay Assistance Program redemptions and will not identify patient.
- The term of the Co-pay Assistance Program is from September 23, 2025, through September 30, 2027 ("Term"). A patient may have only one Eligibility Period during the Term of the Co-pay Assistance Program. Enrollment into the Co-pay Assistance Program will automatically terminate patient's eligibility in any other Merck Co-pay Assistance Program for Program Product.
- **Program Group Number: 2456, Expiration Date: 09/30/2027**

PATIENT CERTIFICATION: THE MERCK CO-PAY ASSISTANCE PROGRAM

I certify that I have read and understand the Terms and Conditions of the Merck Co-pay Assistance Program for KEYTRUDA® (pembrolizumab) Injection 100 mg or KEYTRUDA QLEX™ (pembrolizumab and berahyaluronidase alfa-pmph) Injection 165 mg + 2,000 units/mL (each individually, a "Program Product"). I certify that I meet the eligibility requirements listed in the Terms and Conditions and that the information I am providing on The Merck Access Program Enrollment Form is true and correct. I understand that my eligibility for the Co-pay Assistance Program will commence upon the date of The Merck Access Program's acceptance of my enrollment and will continue for twelve months thereafter ("Eligibility Period"), so long as I satisfy all eligibility criteria of the Co-pay Assistance Program for each date of administration of the Program Product. I understand that I may have only one Eligibility Period during the Term (defined below) of the Co-pay Assistance Program.

I certify that I have private insurance and that no part of the costs associated with the Program Product for which I am seeking a benefit under the Co-pay Assistance Program was or will be covered or reimbursed by a Government Program, as that term is defined in the Terms and Conditions of the Co-pay Assistance Program.

I understand that if I begin to have coverage under any Government Program or if my state prohibits the redemption of manufacturer Co-pay Assistance (coupons) at any time, I will no longer be eligible to receive benefits under the Co-pay Assistance Program. If I am enrolled in a qualified health plan purchased through a health insurance exchange established by a state government or the federal government (QHP), I understand that if the federal government or my state government prohibits the redemption of manufacturer Co-pay Assistance (coupons) by enrollees in QHPs at any time, I will no longer be eligible to receive benefits under the Co-pay Assistance Program.

I certify that my insurance company has not prohibited the redemption of manufacturer Co-pay Assistance (coupons) for the Program Product, and I understand that if at any time my insurance company prohibits the redemption of manufacturer Co-pay Assistance (coupons) for the Program Product, I will no longer be eligible to receive benefits under the Co-pay Assistance Program.

I understand that I am responsible for reporting receipt of Co-pay Assistance Program benefits to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost paid for by the Co-pay Assistance Program, as may be required.

I agree not to seek reimbursement for all or any part of the benefit I receive through the Co-pay Assistance Program. I understand that my healthcare provider or pharmacy (both referred to as "Provider") will submit a claim to my private insurance company for the Program Product administered to me. I authorize my Provider to submit any necessary documentation provided by my private health insurance company, which can include, but is not limited to, an Explanation of Benefits (EOB) or a

Remittance Advice (RA), to the Co-pay Assistance Program and to receive, on my behalf, if applicable, any benefit for which I am eligible under the Co-pay Assistance Program. I understand that my Provider will apply any amounts received from the Co-pay Assistance Program toward the satisfaction of my obligation for the cost of the Program Product only. I understand that I am responsible to pay my Provider the amount I owe per administration of Program Product consistent with the applicable Terms and Conditions of the Co-pay Assistance Program, and any balance owed to my Provider not covered by the Co-pay Assistance Program.

I understand that the Co-pay Assistance Program benefit is only available for my out-of-pocket costs incurred for a Program Product that was administered to me during my Eligibility Period or the 90-Day Lookback Period (as defined in the Terms and Conditions of the Co-pay Assistance Program) **AND** during the Term of the Co-pay Assistance Program.

I understand that any benefit I am eligible for under the Co-pay Assistance Program will be paid directly to my Provider, on my behalf, if applicable, or directly to me. If I have already paid my Provider for my share of the cost of the Program Product for which I later receive a benefit through the Co-pay Assistance Program, I will seek the amount, less the amount I owe per administration, if applicable in accordance with the Co-pay Assistance Program Terms and Conditions, back from my Provider.

If acquiring Program Product from a Specialty Pharmacy (to be later administered in a physician office or outpatient institution), I understand that additional documentation may be required.

I understand that I am free to switch Providers at any time without affecting my eligibility to receive benefits under the Co-pay Assistance Program; provided, however, that my new Provider must complete the information required on the form, including the Healthcare Provider and/or Specialty Pharmacist Certifications, as applicable, before any Co-pay Assistance Program benefit for which I am eligible may be paid, if applicable, to such Provider on my behalf.

I understand that the term of the Co-pay Assistance Program is from September 23, 2025, through September 30, 2027, ("Term").

I will inform the Co-pay Assistance Program immediately in the event my health insurance changes (for example, at the beginning of new calendar or benefit year).
