## PATIENT AUTHORIZATION FOR XOFIGO® ACCESS SERVICES

I authorize the use and disclosure of my Protected Health Information (“PHI”) as defined by the Health Insurance Portability and Accountability Act of 1996, which was amended by the Health Information Technology for Economic and Clinical Health Act (as amended, “HIPAA”). I understand that Protected Health Information is health information that identifies me or that could reasonably be used to identify me and that this authorization to release my information is voluntary.

I authorize my healthcare provider, including my physician, pharmacies and my health plan, to disclose my name, address, and telephone number along with certain medical information including my treatment, the coordination of my treatment, the receipt of my medication and my participation in the Patient Support Program, Xofigo® Access Services, to Bayer and its agents.

I allow the use and disclosure of my PHI for the following purposes: (1) to ensure the accuracy and completeness of the Xofigo Access Services Patient Support Request Form; (2) to provide education, training, and ongoing support on the use of my medication; (3) to send me information on related products and services related to my treatment; (4) to send me refill reminders for my prescription and to encourage appropriate use; (5) to communicate with me and my healthcare providers about my medical care and treatment; (6) to contact me for market research feedback; (7) for sales support purposes and (8) to contact me for potential adverse event follow-up information (9) to comply with applicable law.

This authorization shall be in effect for 5 years from the date of my signature, or the date of last enrollment, whichever comes first, unless a shorter period is required by law. If I (or my representative) revoke this authorization, healthcare providers will stop using my PHI for the purposes outlined in this authorization, but the revocation will not affect prior use or disclosure of my PHI in reliance on this authorization. I (or my representative) may revoke this authorization at any time by calling 1-855-696-3446, faxing a request to 1-855-963-4463, or by mailing a written request to Xofigo Access Services, 2730 S. I also understand that persons or entities that receive my PHI under this authorization may not be required by privacy laws (such as the HIPAA Privacy Rule) to protect the information and may share it with others without my permission, if they are allowed to by law.

My healthcare providers and health plan insurer will not base my medical treatment or its payment, insurance enrollment, or eligibility for insurance benefits on my signing this form. However, the Program needs access to PHI to provide assistance to me. I understand that if I do not agree to the sharing of my PHI as described in this form, Bayer will not be able to provide assistance under the Program to me.

I have read this authorization and/or had its contents read to me. I have been able to ask questions about the use and sharing of my PHI and any questions I had have been fully answered. By submitting this form, I agree to receive communications from Bayer by mail, email, phone, and/or other electronic means. I authorize the use and sharing of my information as described in this form. I understand that I am entitled to receive a signed copy of this authorization.
