## PATIENT HIPAA AUTHORIZATION

I voluntarily provide this authorization for the use and disclosure of my Protected Health Information (“PHI”), as such term is defined by the Health Insurance Portability and Accountability Act of 1996 (as amended, “HIPAA”). I understand that PHI is health information that identifies me or that could reasonably be used to identify me.

I authorize my healthcare provider, including my physician and pharmacy, and my health plan, to disclose to Bayer and its contracted agents my name, address, telephone number, health insurance status and coverage and such medical information as may be necessary for me to enroll in Xofigo Access Services. I understand this disclosure(s) will contain PHI, including information about my current medical condition, treatment, coordination of treatment and receipt of medication. I allow the use and disclosure of my PHI to Bayer and its contracted agents for the following purposes:

- To verify my insurance information and coverage
- To ensure the accuracy and completeness of the Xofigo Access Services Enrollment Form
- To help with my insurance coverage questions for Bayer medications
- To determine if I qualify for other Bayer patient support programs
- To determine my eligibility for other sources of prescription medication financial assistance
- To provide education, training, and ongoing support on the use of my Bayer medication
- To send me news, announcements and information about prostate cancer, including treatment options
- To send me refill reminders for my Bayer prescription medication and to encourage its appropriate use
- To communicate with me, my healthcare providers and health plan about my medical care and treatment
- To contact me for market research feedback, sales support purposes, and as necessary to comply with applicable laws
- To contact me for potential adverse event follow-up information

I understand that:

- This Authorization will remain in effect until the end of my participation in Xofigo Access Services or 5 years from the date of my signature on this Authorization, whichever occurs later.
- I may cancel this Authorization at any time by writing to:  
**Xofigo Access Services, 2730 S. Edmonds Lane, Suite 300, Lewisville, TX 75067**
- I will be contacted through the email and/or cell phone number I provided, for the purposes indicated above.
- If I cancel this Authorization my healthcare provider and health plan will stop sharing my PHI with Bayer and its contracted agents. However, the revocation will not affect prior use or disclosure of my PHI in reliance on this Authorization.
- I may opt-out of being contacted for news and announcements, market research feedback, sales support purposes, and still enroll in the patient support program.
- That entities that receive my PHI in accordance with this Authorization may not be required by law to keep the information private and that it will no longer be protected by the HIPAA privacy law. It may become available in the public domain.
- I do not need to sign this Authorization to receive (i) medical treatment or medication or (ii) coverage, payment, enrollment in or eligibility for benefits from my health plan. However, if I do not sign this Authorization, I may not participate in Xofigo Access Services or be eligible for other Bayer patient support programs.
- I understand that some of my health care providers, such as my pharmacies, may receive payment from Bayer in return for services that require use or disclosure of my PHI to Bayer and its contracted agents.

I have read and understand the terms of this Authorization and have had an opportunity to ask questions about the uses and disclosures of PHI. I understand that I am entitled to receive a signed copy of this Authorization and I can also get a copy by contacting Xofigo Access Services at 1-855-696-3446.

I have read and agree to the XOFIGO \$0 Co-Pay Program Terms and Conditions on page 3.
